### FEEDING DIRECTIONS

LNC® Xtreme Show Lamb is designed to be fed to grow/finish lambs intended for the show ring. Each pound contains 10 mg of Lasalocid. Feed continuously to provide not less than 15 mg nor more than 70 mg per head per day depending on bodyweight. Always provide plenty of clean, fresh water.

**Caution:** The safety of Lasalocid for use in unapproved species has not been established. Do not allow horses or other equines access to feeds containing Lasalocid as ingestion may be fatal.

**Warning:** Do not feed to sheep producing milk for feed.

*Feed is perishable and should be stored in a clean, dry, well-ventilated area so it will remain fresh and palatable. DO NOT feed moldy or insect infested feed to animals as it may cause illness, abortion or death. Fresh, clean water should be available at all times.*
